At Hoppers, our drinks are made with the food in mind.

Bright, fresh and full of character, they draw on the flavours of Sri Lanka and South India, from coconut, citrus and tropical fruit to tea, herbs and spice.

At the heart of the list is arrack, Sri Lanka's signature coconut spirit. Floral, lightly funky and gently spiced, it sits somewhere between rum and whisky and gives many of our drinks their unmistakable Hoppers character.

Alongside it, you'll find sharp, savoury twists on classics you already know, plus long refreshing serves and grown up softs built for the table.
