

Hoppers

Events Guide

HOPPERS

Hoppers was founded in 2015 by Karan Gokani and JKS Restaurants, inspired by the toddy shops, home kitchens and roadside stalls of Sri Lanka and South India. What began as a cosy, small spot in Soho has evolved into a vibrant family of London restaurants, each shaped by the traditions and people that inspire our cooking.

At our heart is a deep respect for these cultures. Our menus bring together the vibrant flavours of the region through signature hoppers, dosas, and richly spiced karis, recipes rooted in memories passed down through generations.

The Hoppers Way

Hosting an event “The Hoppers Way” means treating your guests to our signature hospitality, a warmth deeply driven by our culture and our roots, where we naturally anticipate every need and go above and beyond to make everyone feel at home.

Exclusive Venue Hire

Opting for an exclusive hire brings this intuitive service entirely to you, giving you complete privacy, a dedicated kitchen and bar team, and the total flexibility to shape a bespoke culinary experience.

We love tailoring our spaces around your plans, creating an event that feels deeply personal, relaxed, and full of character.

"A big thank you to Hoppers for hosting us and making our event so special. It was truly a pleasure working with your team."
