*At Hoppers, our drinks are made with the food in mind.*

*Bright, fresh and full of character, they draw on the flavours  
of Sri Lanka and South India, from coconut, citrus  
and tropical fruit to tea, herbs and spice.*

*At the heart of the list is arrack, Sri Lanka's signature  
coconut spirit. Floral, lightly funky and gently spiced, it sits  
somewhere between rum and whisky and gives many  
of our drinks their unmistakable Hoppers character.*

*Alongside it, you'll find sharp, savoury twists on  
classics you already know, plus long refreshing serves  
and grown up softs built for the table.*
